Lobs, Links and Lanes Donation Request

Sponsorship Request: Lobs, Links and Lanes Event (fundraiser)

Event Date: October 6, 2016

Event Locations: Golf, Tennis and BBQ/Party - Pebble Creek Golf Club, Taylors, SC and Bowling - Wade Hampton Lanes, Taylors, SC

Hosted By: The Greater Greenville Association of REALTORS® Community Service Committee

The Greater Greenville Association of REALTORS® (GGAR) Community Service Committee hosts an annual fundraiser, Lobs, Links and Lanes. This event consists of a Captains Choice Golf Tournament, Tennis Round Robin, Bowling Tournament and a BBQ Dinner/Party. Proceeds from the "Lobs, Links & Lanes" event which is now in its 19th year, will benefit two local charities: The Frazee Dream Center and Rebuild Upstate. The Frazee Dream Center is a free preschool, after school and summer program for under resourced children in Greenville, South Carolina. Unlike organizations that focus on new home construction, Rebuild Upstate exclusively repairs and improves existing homes. It's about more than just laying boards and hammering nails—it's about restoring the safety and dignity of our neighbors in need.

We are seeking **any** assistance you are able to offer as prizes for our golf, tennis and bowling event. On average, we have approximately 100 golfers, 15-20 tennis players, and 45-50 bowlers.

Lobs, Links and Lanes offers sponsorship opportunities ranging from \$150.00 - \$1,500.00. The hole/tee sponsorship is the most popular at \$300.00, which allows the sponsor to host the tee/hole and network with the participants and enjoy the BBQ/Party. Also, we have incorporated a "Dining Downtown" raffle into our fundraiser, where downtown Greenville Restaurants donate matching gift certificates to be raffled off as a package. Due to the success, we hope to expand the raffle this year.

We hope your company will be able to participate at some level in this fun-filled fundraiser for these two wonderful charities.

For your convenience, I have attached a packet containing some of the event details, but please call my direct line if you have any questions.

I look forward to hearing from you soon.

Thank you so much for your time and consideration.

Sincerely,

Connie Winslow

The Greater Greenville Association of REALTORS® Community Service Committee Presents Checks to Local Charities

The Greater Greenville Association of REALTORS® Community Service Committee presented two local charities with donations of \$9,000 each at a Mix and Mingle event Dec. 1 at Bubba Annie's Restaurant and Bar in Greer. The two charities receiving the donations: The Frazee Dream Center and Rebuild Upstate.

The Greater Greenville Association of REALTORS® Community Service Committee is comprised of REALTOR® and Affiliate members of the Association along with GGAR staff liaisons. The primary focus of this committee is giving back to the community. This is done through the committee hosting Lobs, Links and Lanes and "Mix and Mingle" events.

The Lobs, Links and Lanes event, which is now in its 18th year, consists of a golf and bowling tournament followed by a barbecue dinner and party. The success of this event is due to the generosity of sponsors, event participants and the dedication of the Community Service Committee. The "Mix and Mingle" events have been

sponsored by affiliate members of the Association and held at local restaurants. Association members and guests bring monetary donations or items

from the wish list for the two charities supported and enjoy appetizers provided by the sponsors.

Proceeds from the Lobs, Links & Lanes and Mix and Mingle events benefit two local charities: The Frazee Dream

Center and Rebuild Upstate.

Rebuild Upstate exclusively repairs and improves existing homes. It's about more than just laying boards and hammering nails—it's about restoring the safety and dignity of our neighbors in need.

The Frazee Dream Center is a free preschool, after school and summer program for under-resourced children in the downtown Greenville area. The program offers assistance and guidance to children ages 3-16 in the areas of academics, character development, sportsmanship and
